

HSA TIPS FOR CENTRAL FAMILIES

STAY IN THE KNOW

In addition to Parent Portal, we recommend joining the [Central HSA list-serv](#). There's also the [Central High Parent-Run Group](#) on Facebook. Make sure to check the [CHS website](#) frequently. Answers to many of your questions can be found there.

GET INVOLVED

The HSA meets virtually once a month on the second Wednesday of the month. Additionally, we support different events at the school where parents can volunteer like the Freshman Tea, the International Cafe and Campus Beautification projects.

KNOW THE BEST CONTACTS

Your student's teacher contact info is on Parent Portal and [the Faculty page](#). Make sure to know their counselor, the Assistant Principal that supports their grade and their class sponsor. They can offer you additional support beyond academic questions.

SUPPORT THE HSA

The HSA supports the school through department grants and funding various projects that impact students directly. Merch sales, the Spring Auction and [direct donations](#) help make this possible! Make an impact today!
